

# CHOP TOP CHALLENGE

## 2017 OFFICIAL CHALLENGE LIST

In order to be awarded points for your challenge, you must post a photo or video on your team Instagram with #choptopchallenge and the number of the challenge. Example: photo of your car in front of Guaranteed Rate Field with the caption: "Why did they make us go here? I really wanted to see Wrigley! #choptopchallenge #19" **Make sure to geotag the location on Instagram, so it can show up on the website map.**

We've created this list with both dirtbags and posh-packers in mind, so there are plenty of cheap/free ways to get points and more luxurious ways for those with refined tastes. But if it's a food/drink thing, you've got to get that thing. No points for closed taco shops this year. Make sure that your team or car is in the photograph, no bullshit posts! (watch out for Bad Cop).
